Cordless Robotic Pool Cleaner

UNLEASHED CLEANING POWER

Freerider™ iQ robotic cleaner is cordless and equipped with a high-power lithium-ion battery offering expert cleaning without intervention. Highly efficient, easy to handle and cable-free, it is remarkably agile and gets into the tightest of corners on all types of pool surfaces. The iAquaLink™ application enables greater control and improved monitoring of the battery status.

HIGH PERFORMANCE CABLE FREE DESIGN

Free of its cable, Freerider™ is easy to use on a daily basis and takes up little space. Long life lithium-ion battery.
Battery life: 1 full cycle (2 hours 30 mins). Fast charging < 5 hours.
Do not expose charger to direct sunlight, rain, or inclement.

SUCTION EFFICIENCY

Combining the constant power of its patented Cyclonic Suction with an impressive dual-stage filtration system, the Freerider™ collects all types of debris with ease.

DUAL-STAGE FILTRATION

Two-layer progressive filtration system (150 micron/60 micron) collects both large and small debris. Transparent canister cover and LED makes the collected debris easily visible.

iAQUALINK™ APP CONNECTIVITY

App connectivity gives users two additional cleaning mode option - SMART cycle and Waterline only cycle. App shows - Charging date / End-of-cycle notifications / Water retrieval assistance / Performance optimisation via automatic updates.

INNOVATIVE HAND-HELD REMOTE CONTROL

Communicates underwater for easy control and retrieval of the cleaner by activating the Lift System.

REAR CONTROL SCREEN

Makes it possible to view the battery charge status, to select the cleaning mode and to launch a cycle.

iAqualink™ App communication is lost underwater

*FR2000 iQ models only

		FR2000 iQ	FR1000 iQ
Types of inground pools	Surfaces	Concrete, pebblecrete, quartzon, fibreglass, vinyl and tiles	
	Shapes	Rectangular, oval, free shape Flat, gentle slope, composite slope, diamond shape	
	Size	For in-ground pools up to 12 x 6m All shapes and surfaces	
Performance	Cleaning areas	Floor, walls and waterline	
	Cleaning cycles	1 - Floor only 2 - Floor/walls/waterline 3 - Smart Cycle* 4 - Waterline* * available via iAqualink App only	
	Filtering level	Dual filter canister 150µ/60µ	
	Filter capacity	4L
